Company Overview

Company Background

Yes Group was established in 2014 under the umbrella of Al Muffazer Group in the Kingdom of Bahrain. What began as a focused investment in fuel station operations quickly evolved into a multi-sector enterprise with interests spanning commercial and residential real estate, convenience retail, F&B, private equity and LPG.

From its inception, the Group recognized Bahrain's potential for growth across core infrastructure and consumer sectors. Capitalizing on this opportunity, we strategically partnered with developers and industry leaders to secure high-traffic locations, invest in scalable ventures, and build operationally efficient businesses.
